Q.17. Read the following passage carefully and answer the question given below :

(2×4=8)

Necessity is a good teacher. It has always taught man to find out new ways and means. It has enabled him to make many new inventions many examples can be given to prove this fact. The early man had no clothes to wear. He had no house to live in. He had no fire to cook his food. He wanted to protect himself from the sun, cold and rain so he began to cover his body with skins of animals. He started to live in caves. He discovered fire to cook his food. Thus necessity taught him to make one invention or the other. Today he lives in comfortable house. He makes beautiful clothes. He has quick means of transportation and communication.

Questions:

- (i) Who is a very good teacher?
- (ii) What has necessity taught aman?
- (iii) Why did man discover fire?
- (iv) Where did earlyman live to protect himself from the sun, cold and rain?
